14 February, 2020

Dear Sirs,

Sub: Approval of the un-audited financial results (Standalone and Consolidated) for the quarter ended December 31, 2019

We request you to refer our letter of 5th February, 2020 informing you about the meeting of the Monitoring Committee of the Company scheduled on 14th February, 2020. We have to inform you that the said Monitoring Committee Meeting was held as scheduled and amongst other things, the following matters were considered and approved:

In terms of Regulation 30 & 33 and other applicable regulations of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (the Regulations), we are hereby submitting un-audited Financial Results (Standalone and Consolidated) and limited review for the quarter ended December 31, 2019.

With regard to the qualifications appearing in the Auditors’ Review Report (Standalone and Consolidated), explanations are as under:

**Auditors Report - Clause 3 (a):**

As per Indian Accounting Standard 36 on Impairments of Assets, the Parent is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However the Management of the Parent has not done impairment testing for the reasons explained in note no. 6. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Standalone and Consolidated Financial Results is not ascertainable. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

**Management Response:**

The Company’s current level of operations, at about 30% of the capacity, may not be an indication of the future performance of the Company. Pending implementation of the Approved Resolution Plan, reliable projections of availability of future cash flows of the Company supporting the carrying value of Property, Plant and Equipment cannot be determined. Accordingly Impairment testing under Ind AS has not been performed while presenting these results.

Auditors Report - Clause 3 (h):

As mentioned in note no. 5 of the Standalone and Consolidated Financial Results, the Parent continued to recognize deferred tax assets of Rs. 1,423.11 crore. Pending implementation of Approved Resolution Plan and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management Response:

The net deferred tax assets as on 30th September, 2019 are Rs. 1423.11 crore (Previous Year Rs. 1423.11 crore). Since reliable projections of future taxable income shall be available only when the Approved Resolution Plan is implemented, deferred tax assets for the current period are presently not recognised and the net deferred tax assets as at the end of the previous financial year have been carried forward.

Auditors Report - Clause 3 (c):

As mentioned in the note no. 9 (c) of the Standalone and Consolidated Financial Results, the impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore adequacy of the carrying value of the assets in the Consolidated Financial Results is not ascertained. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management Response:

Alok Infrastructure Limited ("Alok Infra") a wholly owned subsidiary of the company, was admitted under the corporate insolvency resolution ("CIR") process in terms of the Insolvency and Bankruptcy Code, 2016 ("Code"), vide an order dated 24th October 2018 of the Hon’ble National Company Law Tribunal, Mumbai ("Adjudicating Authority"). During the quarter ended, Alok Infra has incurred a net loss of Rs. 3.70 crore and of Rs.9.00 crores during the nine months ended December 31, 2019 and, as of that date, the Total liabilities exceeded total assets by Rs. 928.77 crore. Further, Alok Infra has not carried out any impairment testing of investment property and therefore the correct carrying value of investment property in the consolidated result is unascertainable.

Auditors Report - Clause 5 (i)- Material Uncertainty Relating to Going concern

We draw attention to note no. 4 of the Standalone and Consolidated Financial Results, which indicate that the Parent recorded a total comprehensive income of Rs. (189.46) crore during the quarter and Rs. (409.56) crore during the nine months ended December 31, 2019 and, as of that date, the Parent total liabilities exceeded its total assets by Rs. 13,324.71 crore. As stated in note no. 1 and 2 of the un audited Standalone and Consolidated Financial Results, these events or conditions, along with other matters as set forth in note no. 3 of the un audited Standalone and Consolidated Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Parent ability to continue as a going concern.

Management Response:

The Approved Resolution Plan provides for injection of sufficient funds for meeting the working capital requirements and capex requirements. Once the implementation of the approved resolution plan is completed, the Company will progressively resume normalcy in operations.
Auditors Report - Clause 5 (ii) - Material Uncertainty Relating to Going concern

"We draw attention to note no. 9(b) of the Financial Results, which indicates that the Alok Infrastructure Limited incurred a net loss of Rs. 3.70 crore during the quarter and of Rs. 9.00 crore during the nine months ended December 31, 2019 and, as of that date, the Alok Infrastructure Limited total liabilities exceeded its total assets by Rs. 928.77 crore. As stated in note no. 9(a) of the Consolidated Financial Results, these events or conditions, along with other matters as set forth in note no. 9(b) of the Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Management Response:

Alok Infrastructure Limited (AInfra) was admitted to corporate insolvency proceeding on 24th October 2018. The Resolution Professional of AInfra has, however, filed an application under Section 12A of the Insolvency and Bankruptcy Code, 2016 for withdrawal of insolvency proceedings and the same is yet to be adjudicated upon by the appropriate authority. In the event the withdrawal is permitted, the new management of the Holding Company, post implementation of the Approved Resolution Plan, is expected to take suitable measures including restructuring etc. as provided in the Approved Resolution Plan. If the CIR Process is ordered to be continued by the Hon'ble NCLT then the Resolution Professional shall decide further course of action in this regard.

The meeting commenced at 12.00 noon and concluded at 4:30 p.m.

In terms of the applicable provisions, of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time), the results are also being published in the newspaper and placed on Company's website www.alokind.com.

The above is for your information and record.

Yours truly,
For Alok Industries Limited

K H Gopat
Company Secretary

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

3. Basis of Qualified Opinion:

a) As per Indian Accounting Standard 36 on Impairment of Assets, the Company is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However, the Management of the Company has not done impairment testing for the reasons explained in note no. 6 of the Statement. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Statement is not ascertainable. Our audit report on the Standalone Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

b) As mentioned in note no. 5 of the Statement, the Company continued to recognize deferred tax assets of Rs. 1,423.11 crore. Pending implementation of Approved Resolution Plan and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. Our audit report on the Standalone Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.
c) As mentioned in the note no. 9 of the Statement, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore adequacy of the Provision for doubtful loan in the books of the Company is not ascertainable.

4. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the paragraph 3 above, Statement gives the information required by the Act in the manner so required and gives a true and fair view in conformity with the accounting principles generally accepted in India, of the loss, total comprehensive income and other financial information for the quarter and nine months ended on December 31, 2019.

5. Material Uncertainty Relating to Going concern

We draw attention to the following matters:

As per note no. 4 of the Statements, which indicates that the Company recorded a total comprehensive income of Rs. (189.46) crores during the quarter and Rs. (409.56) crores during the nine months ended December 31, 2019 and, as of that date, the Company's total liabilities exceeded its total assets by Rs. 13,324.71 crores. As stated in note no. 1 and 2 of the Unaudited Financial Results, these events or conditions, along with other matters as set forth in note no. 3 of the Unaudited Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern, in the event the Approved Resolution Plan is not implemented.

Our opinion is not modified in respect of the above matter.

INDEPENDENT AUDITORS' REVIEW REPORT

TO,
THE MONITORING COMMITTEE (MC)
ALOK INDUSTRIES LIMITED
Mumbai

1. We have reviewed the accompanying Statement of consolidated unaudited Ind AS Financial Results of ALOK INDUSTRIES LIMITED ("the Parent Company") and its subsidiaries ("the Parent Company" and its subsidiaries together referred to as "the Group"), and its joint ventures, for the quarter and nine months ended December 31, 2019 ("the Statement"), being submitted by the Parent Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the relevant circulars issued by the SEBI from time to time. Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended December 31, 2018 and corresponding period from April 1, 2018 to December 31, 2018 as reported in the Statement have been approved by the Parent’s Management, but have not been subjected to review by us since the requirement of submission of consolidated results has been made mandatory with effect from April 1, 2019.

This Statement, which is the responsibility of the Parent’s Management and taken on record by the Monitoring Committee (MC), has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

2. Auditors Responsibilities

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI circular No.CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

3. Basis of Qualified Opinion

a) As per Indian Accounting Standard 36 on Impairments of Assets, the Parent is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However the Management of the Parent has not done impairment testing for the reasons explained in note no. 6 of the Statement. In the absence of any working for impairment of the fixed assets as per Ind AS 36 on the Impairment of Assets, the impact of impairment, if any on the Statement is not ascertainable. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.
b) As mentioned in note no. 5 of the Statements, the Parent continued to recognize deferred tax assets of Rs. 1,423.11 crores. Pending implementation of Approved Resolution Plan and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. Our audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

c) As mentioned in the note no. 9 (c) of the Statement, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore correctness of the carrying value of the assets in the Statement is not ascertainable. Our audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.
