Dear Sirs,

Sub: Approval of the un-audited financial results (Standalone and Consolidated) for the quarter ended September 30, 2019

We request you to refer our letter of 5th November, 2019 informing you about the meeting of the Monitoring Committee of the Company scheduled on 14th November, 2019. We have to inform you that the said Monitoring Committee Meeting was held as scheduled and amongst other things, the following matters were considered and approved:

In terms of Regulation 30, 33 & 52 and other applicable regulations of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (the Regulations), we are hereby submitting un-audited Financial Results (Standalone and Consolidated) and limited review for the quarter ended September 30, 2019.

With regard to the qualifications appearing in the Auditors Report (Standalone and Consolidated), explanations are as under:

Auditors Report - Clause 3 (a):

As per Indian Accounting Standard 36 on Impairments of Assets, the Parent is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However the Management of the Parent has not done impairment testing for the reasons explained in note no. 6. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Consolidated Financial Results is not ascertainable. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management Response:

The Company's current level of operations, at about 30% of the capacity, may not be an indication of the future performance of the Company. Pending implementation of the Approved Resolution Plan, reliable projections of availability of future cash flows of the Company supporting the carrying value of Property, Plant and Equipment cannot be determined. Accordingly Impairment testing under Ind AS has not been performed while presenting these results.

Auditors Report - Clause 3 (b):

As mentioned in note no. 5 of the Consolidated Financial Results, the Parent continued to recognize deferred tax assets of Rs. 1,423.11 crore. Considering the pending implementation of Approved Resolution Plan and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management Response:

The net deferred tax assets as on 30th September, 2019 are Rs. 1423.11 crore (Previous Year Rs. 1423.11 crore). Since reliable projections of future taxable income shall be available only when the Approved Resolution Plan is implemented, deferred tax assets for the current period are presently not recognised and the net deferred tax assets as at the end of the previous financial year have been carried forward.

Auditors Report - Clause 3 (c):

As mentioned in the note no. 9 (c) of the Consolidated Financial Results, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore adequacy of the carrying value of the assets in the Consolidated Financial Results is not ascertainable. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management Response:

Alok Infrastructure Limited ("Alok Infra") a wholly owned subsidiary of the company, was admitted under the corporate insolvency resolution ("CIR") process in terms of the Insolvency and Bankruptcy Code, 2016 ("Code"), vide an order dated 24th October 2018 of the Hon'ble National Company Law Tribunal, Mumbai ("Adjudicating Authority"). During the quarter ended, Alok Infra has incurred a net loss of Rs. 3.11 crore. Alok Infra's accumulated losses amounted to Rs. 1,001.55 crore. Total liabilities as on 30th September, 2019 exceeded total assets by Rs. 925.07 crore. Further, Alok Infra has not carried out any impairment testing of investment property and therefore the correct carrying value of investment property in the consolidated result is unascertainable.

Auditors Report - Clause 5 (i)- Material Uncertainty Relating to Going concern

We draw attention to note no. 4 of the Consolidated Financial Results, which indicate that the Parent recorded a total comprehensive income of Rs. (153.18) crore during the quarter and Rs. (220.10) crore during the half year ended September 30, 2019 and, as of that date, the Parent current liabilities exceeded its total assets by Rs. 13,137.60 crore. As stated in note no. 1 and 2 of the Consolidated Financial Results, these events or conditions, along with other matters as set forth in note no. 3 of the Consolidated Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Parent ability to continue as a going concern.

Management Response:

The Approved Resolution Plan provides for injection of sufficient funds for meeting the working capital requirements and capex requirements. Once the implementation of the approved resolution plan is completed, the Company will progressively resume normalcy in operations.

Auditors Report - Clause 5 (ii) - Material Uncertainty Relating to Going concern

“We draw attention to note no. 9(b) of the Financial Results, which indicates that the Alok Infrastructure Limited incurred a net loss of Rs. (3.11) crore during the quarter and of Rs. (5.30) crore during the half year ended September 30, 2019 and, as of that date, the Alok Infrastructure Limited total liabilities exceeded its total assets by Rs. 925.07 crore. As stated in note no. 9(a) of the Consolidated Financial Results, these events or conditions, along with other matters as set forth in note no. 9(b) of the Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Management Response:

Alok Infrastructure Limited (AInfra) was admitted to corporate insolvency proceeding on 24th October 2018. The Resolution Professional of AInfra has, however, filed an application under Section 12A of the Insolvency and Bankruptcy Code, 2016 for withdrawal of insolvency proceedings and the same is yet to be adjudicated upon by the appropriate authority. In the event the withdrawal is permitted, the new management of the Holding Company, post implementation of the Approved Resolution Plan, is expected to take suitable measures including restructuring etc. as provided in the Approved Resolution Plan. If the CIR Process is ordered to be continued by the Hon'ble NCLT then the Resolution Professional shall decide further course of action in this regard.

The meeting commenced at 3.00 p.m. and concluded at 6.15 p.m.

We further confirm that pursuant to the Regulation 52 (7) of the Listing Regulations, there has been no deviation in the use of proceeds of issue of NCDs from the object stated in their respective Information Memorandum.

In terms of the applicable provisions, of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time), the results are also being published in the newspaper and placed on Company's website www.alokind.com.

The above is for your information and record.

Yours truly,
For Alok Industries Limited

K H Gopal
Company Secretary

During the CIR process, only one resolution plan dated 12 April, 2018 ("Resolution Plan") was received from JM Financial Asset Reconstruction Company Limited, JM Finance ARC - March 18 Trust and Reliance Industries Limited jointly ("Resolution Applicants").

Pursuant to its order dated 08 March 2019 ("NCLT Order"), the Adjudicating Authority approved the resolution plan ("Approved Resolution Plan") submitted by the Resolution Applicants for the Company under Section 31 of the Insolvency and Bankruptcy Code, 2016 ("Code"). As per the terms of Section 31 of the Code, the Approved Resolution Plan shall be binding on the Company, its employees, members, creditors, guarantors and other stakeholders involved in the Resolution Plan.

Pursuant to the Approved Resolution Plan, a Monitoring Committee has been formed w.e.f. 12th March, 2019 to manage the affairs of the Company and to maintain the Company as a going concern. Considering this the financial statements are being presented on a 'Going Concern' basis.

- 2 The Implementation of the Approved Resolution Plan is yet to commence. Upon Implementation of the Approved Resolution Plan, inter alia:
- A Total plan outlay of Rs. 6252 crore would be deployed as under:

(ii) Payment towards CIRP cost, amount due to operational creditors, workmen and employees -INR 700 crore.
(iii) Payment towards capital expenditure -INR 500 crore.
- B Reduction of existing share capital - The Resolution Plan proposes reduction of the Company's share capital without any payout to the shareholders, by reducing the face value of each issued and outstanding equity share of the Company from INR 10 to Re. 1.
- C Issuance of Securities - Reliance Industries Limited (RIL) will infuse (i) INR 250 crore into the Company against issuance of 83,33,333 shares constituting 21.25% of the issued and paid up equity share capital of the Company; (ii) INR 250 crore into the Company against issuance of 9% optionally convertible preference shares of face value of Re 1 each. Further, the JMFAARC- March - 2018 -Trust will convert a portion of the Outstanding ARC Debt into equity shares such that it holds 171,06,66,667 equity shares constituting 43.63% of the issued and paid up equity share capital and will further invoke pledges on 13,59,11,844 equity shares assigned by Financial Creditors, such that it holds in total 47.09% of the issued and paid up equity share capital of the Company.

- 5 The net deferred tax assets as on 30th September, 2019 are Rs. 1423.11 crore. Since reliable projections of future taxable income shall be available only when the Approved Resolution Plan is implemented, deferred tax assets for the current period are presently not recognised and the net deferred tax assets as at the end of the previous financial year have been carried forward.
- 6 The Company's current level of operations, at about 30% of the capacity, may not be an indication of the future performance of the Company. Pending implementation of the Approved Resolution Plan, reliable projections of availability of future cash flows of the Company supporting the carrying value of Property, Plant and Equipment cannot be determined. Accordingly Impairment testing under Ind AS has not been performed while presenting these results.

- 10 The above results are certified by the Chief Financial Officer and the Company Secretary and taken on record by the Monitoring Committee at its meeting held on 14th November, 2019.
- 11 The figures of previous periods / year have been reclassified / regrouped, wherever necessary, to correspond with those of the current periods / year.

INDEPENDENT AUDITORS' REVIEW REPORT

TO,
THE MONITORING COMMITTEE (MC)
ALOK INDUSTRIES LIMITED
Mumbai

1. We have reviewed the accompanying statement of unaudited standalone financial results of **ALOK INDUSTRIES LIMITED** ("the Company") for the quarter and half year ended September 30, 2019 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Attention is drawn to the fact that the figures of the cash flow statement for the corresponding period from April 1, 2018 to September 30, 2018 as reported in these unaudited standalone financial results have been approved by the Company's Management, but have not been subjected to review by us since the requirement of submission of cash flow statement has been mandatory with effect from April 1, 2019.

This Statement, is the responsibility of the Company's Management and is taken on record by the Company's Monitoring Committee (MC) and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statements based on our review.

2. Auditors Responsibility:

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

3. Basis of Qualified Opinion:

- a) *As per Indian Accounting Standard 36 on Impairments of Assets, the Company is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However the Management of the Company has not done impairment testing for the reasons explained in note no. 6. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Standalone Financial Results is not ascertainable. The audit report on the Standalone Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.*

- b) As mentioned in note no. 5 of the Standalone Financial Results, the Company continued to recognize deferred tax assets of Rs. 1,423.11 crore. Considering the pending implementation of Approved Resolution Plan and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Standalone Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.
- c) As mentioned in the note no. 9 of the Standalone Financial Results, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore adequacy of the Provision for doubtful loan given to Alok Infrastructure Limited in the books of the Company is not ascertainable.

4. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the paragraph 3 above, the Standalone Financial Results give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at September 30, 2019, and its loss, total comprehensive income for the quarter and half year ended on that date.

5. Material Uncertainty Relating to Going concern

We draw attention to the following matters:

As per note no. 4 of the Standalone Financial Results, which indicates that the Company recorded a total comprehensive income of Rs. (153.18) crore during the quarter and Rs. (220.10) crore during the half year ended September 30, 2019 and, as of that date, the Company's current liabilities exceeded its total assets by Rs. 13,137.60 crores. As stated in note no. 1 and 2 of the Standalone Financial Results, these events or conditions, along with other matters as set forth in note no. 3 of the Standalone Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern in the event the Approved Resolution Plan is not implemented.

Our opinion is not modified in respect of the above matter.

INDEPENDENT AUDITORS' REVIEW REPORT

TO,
THE MONITORING COMMITTEE (MC)
ALOK INDUSTRIES LIMITED
Mumbai

1. We have reviewed the accompanying statement of unaudited consolidated financial results of **ALOK INDUSTRIES LIMITED** ("the Parent Company") and its subsidiaries ("the Parent Company" and its subsidiaries together referred to as "the Group"), and its joint ventures for the quarter and half year ended September 30, 2019 ("the Statement"), being submitted by the Parent Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. Attention is drawn to the fact that the consolidated figures and figures of cash flow statement for the corresponding period from April 1, 2018 to September 30, 2018 as reported in these unaudited consolidated financial results have been approved by the Parent's Management, but have not been subjected to review by us since the requirement of submission of consolidated results and consolidated cash flow statement has been mandatory with effect from April 1, 2019.

This Statement, which is the responsibility of the Parent's Management and taken on record by the Monitoring Committee (MC), has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

2. Auditors Responsibilities

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

3. Basis of Qualified Opinion

- a) *As per Indian Accounting Standard 36 on Impairments of Assets, the Parent is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However the Management of the Parent has not done impairment testing for the reasons explained in note no. 6. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Consolidated Financial Results is not ascertainable. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.*
- b) *As mentioned in note no. 5 of the Consolidated Financial Results, the Parent continued to recognize deferred tax assets of Rs. 1,423.11 crore. Considering the pending implementation of Approved*

Resolution Plan and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

- c) As mentioned in the note no. 9 (c) of the Consolidated Financial Results, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore adequacy of the carrying value of the assets in the Consolidated Financial Results is not ascertainable. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

4. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated unaudited Financial Results:

- (i) Include the results of the following entities:

a. Subsidiaries:

- i. Alok Infrastructure Limited
- ii. Alok Singapore Pte. Limited
- iii. Alok International (Middle East) FZE

- vii. Alok Worldwide Limited
- viii. Alok International Inc.

b. Jointly Controlled Entities:

- (iii) *except for the possible effects of qualification in paragraph 3 above* give a true and fair view in conformity with the aforesaid Ind AS and other accounting principles generally accepted in India of the consolidated net loss, total comprehensive income and other financial information of the Group and jointly controlled entities for the quarter and half year ended September 30, 2019.

5. Material Uncertainty Relating To Going Concern:

We draw attention to the following matters:

- (i) We draw attention to note no. 4 of the Consolidated Financial Results, which indicate that the Parent recorded a total comprehensive income of Rs. (153.18) crore during the quarter and Rs. (220.10) crore during the half year ended September 30, 2019 and, as of that date, the Parent current liabilities exceeded its total assets by Rs. 13,137.60 crore. As stated in note no. 1 and 2 of the Consolidated Financial Results, these events or conditions, along with other matters as set forth in note no. 3 of the Consolidated Financial Results, indicate that a material uncertainty exists that may cast significant doubt on the Parent ability to continue as a going concern.
- (ii) Independent Auditors of Alok Infrastructure Limited in their review report on Ind AS Financial Statements for the quarter and half year ended September 30, 2019, have incorporated in their report, Material Uncertainty Related to Going Concern paragraph, as under:

'We draw attention to note no. 9(b) of the Financial Results, which indicates that the Alok Infrastructure Limited incurred a net loss of Rs. (3.11) crore during the quarter and of Rs. (5.30) crore

Our opinion, in so far as it relates to the amounts included in respect of these subsidiaries and joint control entities, is based solely on such unaudited management certified Ind AS Financial Statements. Our opinion on the Consolidated Financial Results is not modified in respect of our reliance on the Ind AS financial statements / financial information certified by the Management.
