- 4 Certain events / conditions could possibly impact the 'going concern' assumption of the Company. The lenders had invoked the 'Strategic Debt Restructuring' (SDR) on 27 November 2015 pursuant to Reserve Bank of India guidelines and the implementation thereof is under process. Considering this development, the Company has presented these financial statements on a 'going concern' basis.

Net deferred tax assets of Rs. 950.65 crores (includes deferred tax assets of Rs. 152.96 crores on provisions for doubtful debts pertaining to previous year ended 31st March, 2016) has been recognized based on the concrete measures taken by the Company for ramping up operations and enhancing operating efficiency. Based on timely infusion of working capital, running order book position, reliability of raw material supply and the technical viability report prepared by recognized industry experts, the Company is reasonably certain that there would be sufficient taxable income in future to offset the deferred tax asset.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with applicable Accounting Standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated 5<sup>th</sup> July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Attention is invited to the following:
  - i. Note No.4 of the Statement regarding certain events / conditions which could possibly impact the going concern assumption of the Company. In view of the invocation of 'Strategic Debt Restructuring' (SDR) pursuant to Reserve Bank of India guidelines, the Company has presented these financial statements on going concern basis.
  - ii. Note No.5 of the Statement regarding recognition of net deferred tax asset of Rs.950.65 crores on the basis of concrete measures taken by the Company for ramping up operations and enhancing operating efficiency, the Company is reasonably certain that there would be sufficient taxable income in future to offset the deferred tax asset considering timely infusion of working capital, running order book position, reliability of raw material supply and the technical viability report prepared by recognized industry experts.
  - iii. Note No.6 of the Statement regarding realisable value of current assets and non-current assets after necessary provisions/write offs. In absence of technical and costing evaluation of these assets, impact of further impairment, if any, on their economic value could not be ascertained.

Our Report is not qualified in respect of the above matters.
